Serving Hudson River with Pride for 39 Years

A Message from Our President:

It was a pleasant evening and the meeting was a lot quieter than it was last month. This has been a busy month. The Woody Guthrie is back in the water. It was in full view at Marist's commencement. We are now giving free sails to the public Monday through Friday evening. The building is undergoing repairs from the flooding last year. The South roof has been replaced, the roof well around the tree has been repaired and the interior walls are being replaced. Aaron Havens is doing a great job. We are able to do more because some of the work is being done by volunteers. I wish to thank, Ron Bel, Saul Rozinsky, Kurt Hauck, Robbie Thomas, and Roger Szur, and Rene 'Scout' Vivo. **But we could use some younger help to assist the "Over the Hill Gang". Call Claudine, Saul or myself to volunteer. There is a work party Wednesday 10 AM.**

The Multrum has been completely cleaned out. Now we just need to keep it clean. We will be putting in a more permanent electrical line from the building out to the Woody dock. This is being done by a Beacon licensed electrician so that we satisfy our lease with the city.

Video recording was getting out of line so the board passed a policy requiring that **video recording during the meeting must be unobtrusive.** Videographers are required to inform the club of when and how they will be videoing and to inform us as to the purpose of the video.

Our Challenge Grant has been increased to \$2000 and we are at \$1250. So we need to raise \$650 more for a total of \$4000. If ten people each donate \$10 dollars that \$100 will be matched. There will be a concert by David Bernz on Thursday July 12th to raise money for the Woody Guthrie. (Recommended donation \$10, no club member turned away). We are also trying to organize a Sing Across the River on July 14th, with musicians on both sides of the river singing some of Woody Guthrie's songs.

It is time for the Strawberry Festival. Rosemary Thomas, Susan Berliner, Phyllis Newham, Joyce Hanson, Betty Harkins, Nancy Cahill, Connie Hogarth and Saul Rozinsky, Vane Lashua, Tom Labarr, and many others have been busy organizing the event. This is our major event and we need all hands on board. You can call any of the above to volunteer. The work will start Saturday in Riverfront Park, at 9am setting up tents, tables, chairs, ovens, etc, and at Tom Labarr's home at 10am shucking strawberries. Come, help, meet people, and have fun.

"One must ask children and birds how cherries and strawberries taste." Johann Wolfgang von Goethe. Did you know that U.S soldiers in Kuwait planted Strawberries and had a strawberry Festival?

See you Saturday and Sunday
Respectfully,
David Eberle President

Inside this issue:

All hands on deck for the Strawberry Festival, the building restoration is underway, the sailing season has begun, and much, much more....

Beacon Sloop Club General Meeting Minutes, June 1, 2012

Our musicians opened the meeting with a rendition of “Last Night I had the Strangest Dream”. The meeting was then called to order by President **David Eberle**.

He welcomed first-time visitors from North Carolina, Beacon, East Fishkill, San Francisco, Newburgh, and the Netherlands.

Treasurer’s report – Sarah Elisabeth: The net income for the month was \$3418 and the current balance is \$65,216.

The Woody Report – Tom LaBarr: The Woody is in the harbor and crews are doing shake-out sails. Guest sails will begin over the next week or two. Anyone wishing to be a sailor can just show up and commit to sailing on a given night. We will teach you to sail. The Woody will be at River Fest in Cornwall on Saturday.

Harbor Report – David Eberle: The harbor is operational. We have installed a temporary power solution to the charging dock and are working with an electrician on a permanent solution. We are still looking for a mooring field manager who would be the point of contact for harbor questions. If you know someone who would be interested contact David.

Building Report – Claudine Craig, Saul Rozinsky: Thank you to all the people who came out to help with the building repairs. Almost all of the volunteers are over 65 so we need to recruit some younger folks. Construction is a “young person’s sport”. Claudine passed out a sign-up sheet. We are very fortunate to have a grant that is allowing us to perform the much needed repairs prompted by hurricane Irene’s visit last fall.

The multrum has been cleaned out and the urinal is repaired. We need to address the issue of diapers and other non-degradable items being disposed of in the system and please no sawdust in the urinal.

SOS Challenge Grant – David Eberle: The original \$1500 challenge grant is up to \$1250 in contributions. An anonymous donor has added another \$500 to the challenge.

Strawberry Festival – Rosemary Thomas, Tom LaBarr, Saul Rozinsky: We need many volunteers for many tasks. Prep work on Saturday 10:00 at the Labarr’s to hull and freeze berries and make up biscuit mix. Lunch will be provided. Site prep work in the park begins at 9:00. We need people and trucks to transport tables, chairs, and oven, and to set up the strawberry tent. We also need park sitters to mind the equipment during the day. The site crew is invited to the LaBarr’s for lunch as well.

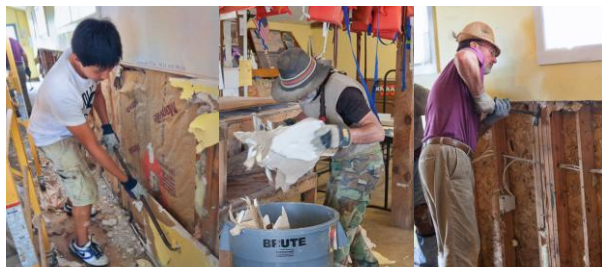

On festival day we have many jobs; everyone has fun so come on out and help! We need people to promote and visit our environmental displays. We have a great lineup this year including, composting, solar toys, Clearwater, DEC, and our river life exhibit.

Pete gave away our secret to the perfect shortcake (I won’t tell here; you’ll just have to come and see for yourself) and compared it to that available in fancy restaurants for twice the price.

Announcements:

Joyce Hanson; There will be a Woody’s birthday fundraiser concert at the sloop club on Thursday July 12th at 7:00. Suggested donation is \$10. **Sue Altkin:** The Sloop Club is sponsoring one wolf through Mission Wolf. Sue passed the hat to raise money collecting \$147. She also with the help of RJ Storm auctioned off a plush wolf toy for a total of \$75. **Connie Hogarth** introduced Matt Alexander, mayor of Wappingers Falls who is running for congress. She also announced that Judy and John Allen would be hosting a meeting with Terry Gibson who is running for New York State Senate on Sunday June 3rd, 5-8 pm at their home in Putnam Valley. **Andy Mager** of the Two Row Wampum Renewal Campaign to raise awareness of and honor Native treaties on the 400th anniversary of the Two Row wampum Treaty in 2013. A focal point of the campaign will be symbolic trip down the Hudson River with Haudenosaunee natives in canoes alongside vessels representing the European settlers. He asked the Sloop Club to consider supporting the event in some way. By show of hands the club voted to refer this to the executive committee. **Wayne Kolcher** is promoting the issuance of work union bonds and has recently spoken to NY Governor Cuomo about it. They would be issued to support green energy projects using union labor. **Sue Altkin** informed the club of the passing of long-time supporter and volunteer Terry Arnold and expressed her family’s wish that donations be made in her name to Clearwater in lieu of flowers.

Respectfully submitted by Alan Thomas for Vane Lashua

Pool Swim friends,

Saturday July 21st is the Swim Across the Hudson.

Set up on the Beacon side from 6:30am – 10am.
The swimmers arrive between 10am and 11:30am.
10-12:30pm is party and food
12:30-2:30pm is site breakdown and clean up.

I will need people to help with both parts. If you would like to come later and stay to help clean up that would be fantastic or you can come early and help set up. Please indicate what time you would like to volunteer. Let me know as soon as you can. Thanks!

Regatta News

The Living River Regatta is a new event for the Sloop Club this year. **Registration is now open** so if you are interested in racing or know someone who may be interested don't hesitate to join or **get the word out**.

The fundraising model is similar to that used by walks and rides where participants recruit friends and others to sponsor them. So, the sooner we get entries the sooner they can start fundraising at

<http://www.livingriverregatta.org>

John McLaughlin's Falcon is the first boat to enter the race. He has already attracted several sponsors for his entry and is well on

his way to reaching his fundraising goal. We need to get a few more entries to give John some friendly competition. You can support the Falcon at:

<http://www.woodyguthriecup.org/civicrm/pcp/info?reset=1&id=6>

We are also looking for a few more event sponsors, If you know of a likely local business or think that your employer that may be interested contact David Eberle. Sponsorship info may be found at:

<http://www.woodyguthriecup.org/content/event-sponsorship-levels>

We will be needing lots of help to promote and run this event so please let David Eberle or John McLaughlin know if are available.

Strawberry Workers Unite!

Sunday, June 10th is our annual Strawberry Festival, abounding with opportunities to try your hand as a volunteer. You can work for an hour, a day, or dig right in and join us for the whole ride. It's a great way to make friends, have fun and do something wonderful for the river, the environment, your community and Sloop Club. No experience necessary. All workers are guaranteed equal pay(none) and benefits (satisfaction). Here's what you can do:

Saturday, June 9th

- ❖ **Strawberry Hulling Party** at The LaBarr's 10 AM. Join the merry berry hullers, mix shortcake batter, and perform a variety of important... taste tests. Tom and Aimee provide all necessary equipment and an amazing lunch..
- ❖ **Site Crew** at Riverfront Park from 9AM – 12 noon. Help prepare the site for Sunday – set up the oven, strawberry and environmental tents, vendor layout, electrical, water, haul tables, equipment, signs, etc. Trucks welcome! We never have enough trucks.
- ❖ **Site Watch** at Riverfront Park from 12 – 8. Come down for an hour or two, bring a picnic or a guitar, and spend a lovely afternoon in the park.

Sunday, June 10th – Festival Day. All hands on deck! Don't be shy! You will be welcomed with open arms, open hearts and work gloves.

- ❖ **Set Up:** 8 AM – haul and unload tables, chairs, equipment, etc. Set up the tents and work areas. Trucks welcome!
- ❖ **Loaders:** 8AM – Meet at the LaBarr's to load berries onto the trailer.
- ❖ **Strawberry Tent:** 9AM – 5PM - We need hullers, washers, whippers, bakers, servers, goo moppers and gofors. Work for an hour or all day. Jump in any time – there's never a shortage of fun things to do!
- ❖ **Angels of Mercy** – Bring food and water to workers
- ❖ **Beacon Sloop Club Booth** - Woody guest sail sign-up, sell T-shirts / merchandise, provide information and Sloop Club membership.
- ❖ **Woody Sailors** – Contact your captain.
- ❖ **Dock Safety / Lifejackets** – Help Woody guests on and off the dock and provide life jackets / instruction.
- ❖ **Zero Waste Pod – Building on last year's success** our prestigious earthcare / recycling / compost / team needs pod people. Join our dedicated, highly specialized crew to staff our beautiful new earthcare stations and help educate the public (all of our bowls, napkins, cups and utensils are fully biodegradable). If you have a comfortable camp chair that you like, please BYO (we have a shortage).
- ❖ **Crowd Control** – People movers with a gentle touch. The lines can get long and hungry. We need someone to make sure people are in the right line and moving efficiently.
- ❖ **Take Down / Clean Up** – 5 PM. Strike the set! Return everything from whence it came and leave the park looking even more glorious than when we started. This is a great time to help out, especially if you have not yet had an opportunity to work – fresh energy is really appreciated by workers who have been working all day! Trucks gratefully welcomed.

Please call Susan at 297-7692 or Rosemary at 463-4660 for more info or to sign up.

Woody Update

No official report this month due to the push to get the newsletter out before the strawberry festival, just a few comments from your editor.

Gigi and our captains led a mad rush of long days and evenings for two weeks to get the Woody ready for her maiden voyage on May 19th. Many thanks to all who helped! The Woody left White's Marina at 9:00am, motored north to Poughkeepsie, sailed for two hours off of Marist during commencement, and then headed south. She arrived home in Beacon at 16:50.

The captains and crews are now doing regular weeknight sails for shakeout and training. Guest sails begin with the Cornwall Riverfest this weekend.

Thank You Gigi for keeping us on schedule! It was fabulous being out on the river again. We are poised for another great year of sharing this with the public.

Hello Woody Sailors, and all Beacon Sloop Club Volunteers,

This year, the 100th Anniversary of the birth of Woody Guthrie we will be sailing the Sloop Woody Guthrie down to Croton for **Clearwater's Great Hudson River Revival**, on June 16 and 17, and we will need lots of helpful volunteers both on Land and on Sea to make this a success. Clearwater has been going overboard to make sure we feel welcome.

Several changes are being implemented to make this year's event as easy as possible on the Crew. We anticipate being able to utilize a specially built stairway/floating dock that will enable us to load guests from the shore-line bulkhead directly onto our Sloop. These are some of the jobs necessary to make this vast undertaking a success:

Building and testing the floating dock and stairway assembly and transporting it by trailer to Croton on June 14th or 15th, assembling and installing and removing it.

Transiting the Woody down to Croton on June 15th and returning her to Beacon on Monday June 18th

Guest sails during the festival on Saturday and Sunday. We need as many Captains and Crew as possible to make this work, and work well.

Sitting at our table/tent and signing up guests for the day's sails.

Managing the stairway/floating dock at the bulkhead to insure safety at all times.

Anchor Watch on the Woody overnight. (Sleeping on board)

We have seven people who signed up as full Clearwater volunteers to work on the Woody. For 8 to 10 hours of work for the Woody; each of you will have full weekend access to the festival grounds and music venues, access to the Volunteer Food Tent 2 Volunteer Parties Saturday night (live band at the Dance Stage, and an acoustic Jam session), and you will also receive a Volunteer T-Shirt.

2) IF YOU ARE A BEACON SLOOP CLUB MEMBER, and have not signed up as a Clearwater volunteer you can offer as much time to our effort as you can spare, and in exchange for your work on the Woody receive a one-day-only pass, with no access to the Volunteer Food Tent, and no free T-Shirt, but you will be able to enjoy some of the festival and music, when not working on the Woody, hopefully in an hour for hour exchange. If you can help out in this capacity, please get in touch with me as soon as possible; also we need to get your names to Clearwater beforehand.

PLEASE HELP!!!!

The Spare Seat Kayak Expedition

On May 17th the Beacon Sloop Club held a reception for British expeditioner Richard Harpham and fellow adventurer and photographer Glenn Charles on their 500 mile journey by kayak from Niagara Falls to the Statue of Liberty. In addition to the guests of honor we had representatives the New York State Division of Tourism, Dutchess County Tourism, local politicians, other local conservation and river focused organizations, and the press.

A big thank you goes to Joyce Hanson for organizing this event. A special thank you to Mark, Liz, Alice, Gigi, Rosemary and Dennis for helping this be a successful evening. The event was supported by Greg Flaherty owner of [Tas Kafé](#) who donated the coffee, Jim owner of [Chill Wine Bar](#) who donated the wine, Matt owner of [The Hop](#) who donated the beer, and Janett owner of [La Bella Rosa](#) who donated flowers.

Finally we gratefully acknowledge the efforts of Nancy Lutz of [Dutchess County Tourism](#) for helping to bring this event to the Sloop Club.

DEC Proposes to Restrict the Harvest of River Herring in the Hudson River and Its Tributaries.

In making the announcement, Commissioner Joe Martens said, “River herring are part of New York’s native fauna and need to be more intensively managed to provide long-term, sustainable populations... These unique fish are important to New York’s waters and many New Yorkers enjoy their return to tidal waters each spring.”

River herring (alewife and blueback herring) spend most of their life in the ocean but return to their native rivers to spawn. Information on the status of the river herring populations is available for the Hudson River, thanks in part to the Herring Monitoring Program that the Sloop Club participates in, but little information is available on their status in other New York waters.

DEC proposes to restrict the harvest of river herring in the Hudson River and its tributaries while closing the river herring fisheries in all other New York waters where anadromous river herring are present. The list of waters where the harvest of river herring will be prohibited are: the Delaware River and its tributaries, all streams in the Bronx, Kings, Manhattan, Nassau, Richmond, Suffolk, and Queens Counties, and Westchester County streams that empty into the East River or Long Island Sound.

The proposed regulations may be viewed at:

<http://www.dec.ny.gov/regulations/propregulations.html>

The public comment period on the proposed rule runs from May 30 through July 16.

In Memoriam: Terry Arnold

Longtime volunteer and member of the Clearwater family, Terri Arnold passed away at home at age 89 on May 24th.

Terri located the site for the first revival and spent many years in the kitchens feeding volunteers at the Clearwater festivals. Riverlovers was founded in her living room and she could always be seen at our Strawberry Festivals hulling and cutting strawberries or making biscuits...whatever was needed, that was Terri. Rumor has it that she never missed a festival.

Her quick wit, friendly smile and positive attitude, as well as her always willing and welcome contribution will be greatly missed. She was definitely part of the heart of Clearwater...and the Beacon Sloop Club.

Her family has asked that contributions be made in her name to Clearwater in lieu of flowers.
